

# What is the Bible about?

---

It is about God. What he is like, and what He does. It enables us to know Him, to love Him, to live in His presence and care.

What lessons are in the Bible? That God can be known personally, and certainly. He is known by His wonders, works, truths, through His prophets and apostles. Supremely He is known through His beloved Son, Jesus Christ.

Through repentance (a mind and life change) towards God, and through faith in our Lord Jesus Christ, we have the gift of eternal life and the impartation of the Holy Spirit. It is salvation by the grace of God.

Among the many great lessons that the Bible teaches –

1. Whatever a man sows that shall he reap.
2. Everyone of us shall give account of himself to God
3. To Love God, we must also love other people, even enemies.
4. God's testing and the devils temptation can be opposite sides of the same experience
5. If we give heed to what God says, he will give heed to our prayers.
6. God chastens every son whom he receives.
7. God works everything for good to those who love him.
8. The Lord keeps his promises. He will never leave us nor forsake us
9. The two great things that God has done – His magnificent breath-taking awesome endless wonder and beauty of His creation: and His supreme gift of His matchless Son who gave Himself for our redemption, and completed it forever by His resurrection, His 40 days of resurrection appearances, His awesome ascension, and His promised gift of the Holy Spirit, His building of His church, and, in the future, His final glory in His coming with His reward, and His eternal Kingdom.
10. God is over all, and in charge of everything. In Him we live and move and have our being.
11. The steps of a good man are ordered by the Lord and he delights in His way; though he fall, he shall not be utterly cast down, for the Lord upholds him with His hand.
12. Delight yourself in the Lord, and He will give you the desires of your heart.
